

Informe PWA – Implementación Completa de PWA en la Web del Hospital – Entrega 10/03/2025

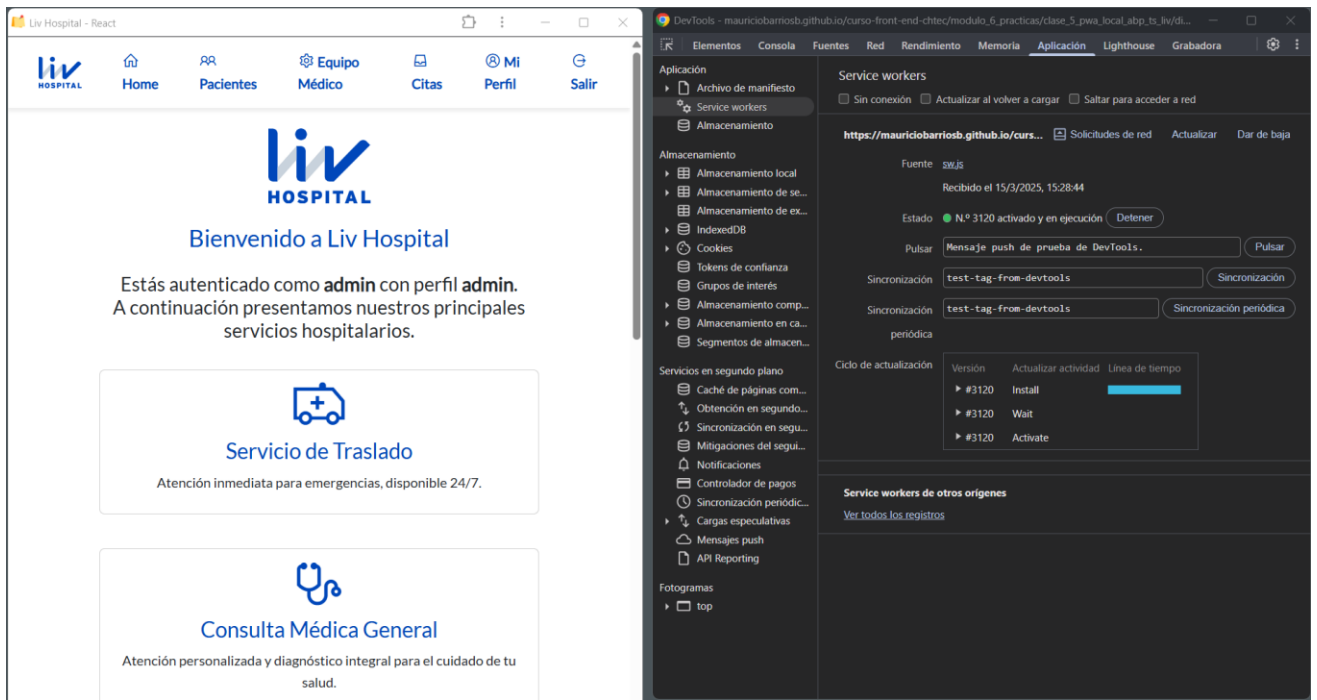

1. Informe Lighthouse PWA:

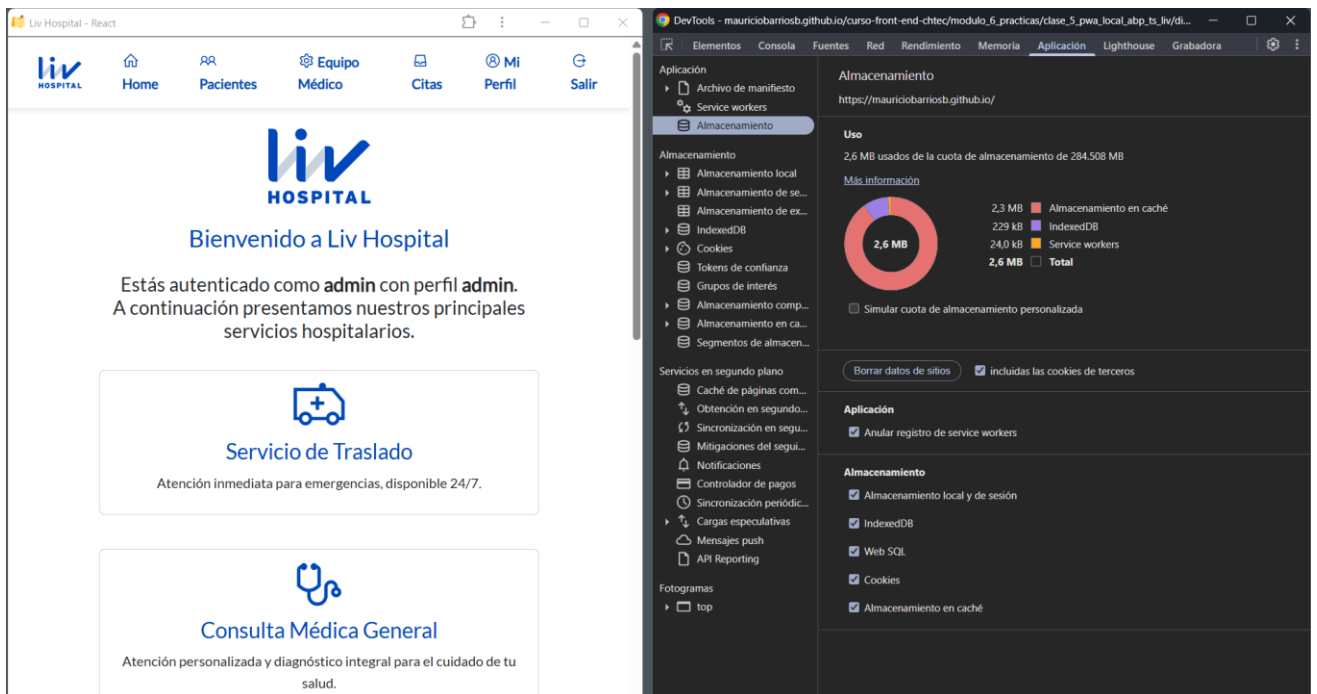

2. Manifiesto de la aplicación:

3.Service Workers:

4.Almacenamiento PWA:

5. Guadado cache de imágenes y entidades base de datos indexed DB (Bb Local):

The screenshot shows the DevTools Application tab with the IndexedDB database selected. The left sidebar displays the database structure, including collections like appointments, doctorlist, patients, specialties, and workbook-expiration. The main panel shows the details of the IndexedDB database, including its origin (https://mauriciobarriosb.github.io), segment name (default), and persistence (No). Below this, a table lists the cached resources.

#	Nombre	Response-Type	Content-Type	Content-Length	tiempo almacenado en caché	Vary Header
0	/demodotorapi/images/medico1.jpg	opaque	image/jpeg	13,459	15/3/2025, 15:35:33	
1	/demodotorapi/images/medico10.jpg	opaque	image/jpeg	17,732	15/3/2025, 15:35:33	
2	/demodotorapi/images/medico11.jpg	opaque	image/jpeg	13,134	15/3/2025, 15:35:33	
3	/demodotorapi/images/medico12.jpg	opaque	image/jpeg	12,723	15/3/2025, 15:35:33	
4	/demodotorapi/images/medico2.jpg	opaque	image/jpeg	15,948	15/3/2025, 15:35:33	
5	/demodotorapi/images/medico3.jpg	opaque	image/jpeg	18,856	15/3/2025, 15:35:33	
6	/demodotorapi/images/medico4.jpg	opaque	image/jpeg	17,239	15/3/2025, 15:35:33	
7	/demodotorapi/images/medico5.jpg	opaque	image/jpeg	13,541	15/3/2025, 15:35:33	
8	/demodotorapi/images/medico6.jpg	opaque	image/jpeg	22,262	15/3/2025, 15:35:33	
9	/demodotorapi/images/medico7.jpg	opaque	image/jpeg	20,857	15/3/2025, 15:35:33	
10	/demodotorapi/images/medico8.jpg	opaque	image/jpeg	14,582	15/3/2025, 15:35:33	
11	/demodotorapi/images/medico9.jpg	opaque	image/jpeg	22,516	15/3/2025, 15:35:33	

Below the table, a message states: "No se han seleccionado entradas en caché. Selecciona más arriba una entrada de caché para previsualizarla."

6. Ventana aplicaciones instaladas de Google Chrome:

The screenshot shows the Google Chrome 'Aplicaciones' (Apps) page. The browser address bar displays 'chrome://apps'. The page shows a grid of installed applications, including Documentos, Gmail, Google Chat, Google Drive, Hojas de cálculo, LivHospital, Presentaciones, and YouTube.

7.Lanzando aplicación LIV Hospital modo offline (usuario debe estar previamente logueado para utilizar sus datos de sesión en cache (local storage cifrado), los datos se almacenan en off line local “ondemand”):
